MEMORANDUM FOR: CHIEF [REDACTED]

25X1A

1. Yesterday I discussed the [REDACTED] course with [REDACTED] who had been authorized by EXO to coordinate the overall matter. He reviewed the paper prepared by [REDACTED] for my signature as well as the suggestion recommended by yourself. Generally, he desires to proceed along the lines of your suggestion although in actuality it will be rather a combination of the two. That is, he wants the course to be run as scheduled in May; to that course for the discussion periods he would like to add three or four individuals whom he will nominate to assist in discussions, etc. In addition, he would also like [REDACTED] to closely coordinate all presentations and subject matter with him. Further, he would like the lecturer to provide him with an outline of the subject material and to have an opportunity to review such material with the lecturers and to coordinate it prior to the presentation.

2. On the completion of the presentations [REDACTED] would like to have a complete copy of each of them in order that he may review them in detail and thereby clarify any question concerning the [REDACTED] doctrine of OSO. If possible, these should be completed each day and provided [REDACTED] as soon as possible; he does not want to have them all in a batch.

3. I left a copy of the two documents with [REDACTED] so that he could give us a detailed outline of his recommendations concerning the procedures to be followed in this course of instruction.
